

Choose to stay and send violence away

Keeping women and children safe

Staying Home leaving Violence is a free service that helps women and their children to escape a violent relationship and stay safe in their home or a home of their choice.

SHLV will advocate on your behalf with Police to have the perpetrator excluded via an Apprehended Domestic Violence Order. SHLV will work alongside other community organisations to provide a holistic service for clients and their children.

SHLV provides assistance to women and children residing in the Kempsey LGA where there has been intimate partner violence. SHLV can provide safety upgrades to your home or rental, security equipment and safety planning. We also specialise in long term case management.

SHLV is situated within Kempsey Family Support Service Inc. at 21 Verge Street Kempsey.

Operating hours- Monday to Friday 8am to 3:30pm

Staff -Shelley, Case Manager and Megan, Case Worker
